

# Depth Marker Tiles

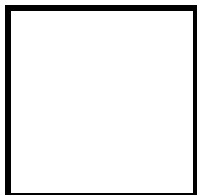

Depth markers are available smooth or skid resistant (abrasive).

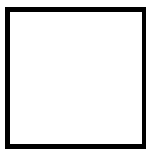

Sun Coast Tile's depth markers are designed to meet state and local codes; however, it is the responsibility of the contractor to refer to state and local building codes before installing depth marker tiles.

Depth markers are available in these shapes and sizes:

6x6

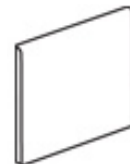

4-1/4x4-1/4

6x6 Mud Bullnose  
(A3602)

4-1/4x4-1/4 Mud  
Bullnose (A4402)

4-1/4x4-1/4 Surface  
Bullnose (S4449)
