

# Stone Mosaic Accents 6x6

These

Stone Mosaic Accents are made from natural stones. Each stone is individually tumbled and mounted on mesh, forming accents that are approximately 6"x6". The color and shape varies from piece to piece, and no two accents will be exactly alike.

These accents are sized to work with the following lines of 6x6, although they may be used with virtually any 6x6 tile:

## STO-ISLAND MIX

FIORITO

VM

## STO-MALUKU BLACK

NVIS

RIVER

## STO-MERAK

SOLE

TUDOR (TS)

GOTHIC

WATER COLOURS (WA)

In addition to the natural variation in shades of all kiln fired products, there is typically a similar variation with the printer's ink. We strongly recommend that final selections are made from actual samples, rather than from the images in this catalog. Use constitutes acceptance.
